

**THE 5 WELFARE NEEDS OF YOUR GUINEA PIGS**

**Nutrition**

To give your guinea pigs' a healthy balanced diet follow the Excel Feeding Plan

**Health**

Keep your guinea pigs' in good health by giving them weekly health checks. Check your guinea pigs' teeth, ears, nose, eyes, body shape and feet, if you don't think something is quite right, contact your vet!

**Environment**

Your guinea pigs' home should be suitable for their needs.

**Did you know?**

Housing should be seen as your guinea pigs' bedroom and should be attached to a larger run for exercise.

Guinea Pigs need at least one friend!

Did you know?

**Companionship**

**Behaviour**

It is important that you understand your guinea pigs' behavior so you know if they are living a happy and healthy life.

**Did you know?**

Guinea Pigs are very vocal and communicate using lots of sounds!
